Corporate Finance | FP&A | Treasury | Costing | Financial Analysis

Coimbatore | harshavardhaan.c21@gmail.com | [LinkedIn](#) | [Portfolio Website](#) | [GitHub](#)

Qualified Cost and Management Accountant (CMA) with a strong foundation in financial reporting, cost audit, and statutory compliance across diverse industries and clients. Skilled in financial statement analysis, cost management, and financial modelling using Excel, SQL, and Power BI. **Looking to build a career in corporate finance — spanning FP&A, treasury, costing, and financial analysis — where analytical rigor and problem-solving drive business decisions.**

EXPERIENCE

DECEMBER 2023 – MARCH 2025

ARTICLE ASSISTANT | C.S. HANUMANTHA RAO & CO.

- Managed accounting, financial reporting, cost audit, and statutory compliance across clients and industries, supporting tax planning and filings.
- Prepared financial statements, inventory valuation, and job costing, and coordinated with clients, banks, and regulators to resolve compliance queries.

JUNE 2025 – SEPTEMBER 2025

TAX EXPERT | TAXBUDDY.

- Prepared and e-filed Income Tax Returns, resolving client queries on deductions, exemptions, and capital gains.
- Handled multiple client engagements during peak filing season with accuracy and timeliness.

SKILLS

Microsoft Excel | SQL | Power BI | Financial Reporting | Financial Statement Analysis | Budgeting & Forecasting | Variance Analysis | AI tools | Income Tax | Tally Prime | Analytical Thinking | Problem Solving | Attention to Detail | Business Communication

PROJECTS

Annapurna Capital – Series B Valuation & Investor Pitchbook

Developed a 5-year driver-based financial model covering 3-statement forecasting, DCF, comps, dilution, sensitivity and scenario analysis for a fictional startup; presented the investment case through an investor-focused pitch deck.

Thirteen-Week Cashflow Forecast

Developed a rolling weekly cash flow model tracking receipts, payments, and minimum cash buffer for liquidity management.

Sales Budget, Forecast & Variance Analysis

Built an annual sales budget with regression-based forecasting and budget-vs-actual variance analysis. Presented the findings.

Production Budget, Materials Planning & Commodity Hedging

Developed a materials budget with aluminium price forecasting and a futures hedging strategy.

Utility-Scale Solar Project Financial Evaluation

Built a project finance model for a 1 GW solar PPA project with DCF, DSCR/LLCR, and sensitivity analysis.

Executive Financial & Sales Performance Dashboard (Power BI)

Designed a Power BI dashboard with DAX measures tracking revenue, margin, and EBITDA performance.

Working Capital Analytics (SQL)

Analyzed receivables, inventory, and payables to calculate DSO, DIO, DPO, and CCC.

EDUCATION

AUGUST 2026

Cost and Management Accountant | Institute of Cost Accountants of India

Qualified CMA with aggregate of 55.1875%.

MAY 2023

Bachelor of Commerce | Kumaraguru College of Liberal Arts and Science | Coimbatore

Passed out with 7.4 CGPA and no backlogs. Participated in various college activities
